
MINI-PEEL \$45
with a facial \$85

A quick 15-minute, no fluff, just cleanse, peel, moisturize and go! Choice of lactic, glycolic, salicylic, or enzyme peel.

LYCO-IONIC JESSNER \$110

A combination of acids and lycopene (a powerful antioxidant) provide a very noticeable and effective exfoliation process.

MEGA-PEEL

MICODERMABRASION \$95
with a facial \$125

Using fine crystals to reduce signs of aging, sun damage, scarring, and other skin irregularities. Excellent alternative for skin sensitive to chemical peels.

DIAMOND PEEL \$65
with a facial \$85

A safe, natural, holistic alternative to chemical peels. Using a resurfacing tool made of stainless steel and finely crushed and cosmetic diamonds, this treatment gently rejuvenates and refines skin, stimulating collagen.

ULTRA-SONIC PEEL \$65
with a facial \$85

This treatment uses the unique benefits of ultra-sound and electrical stimulation to improve skin. This treatment treats the many signs of premature aging. Increases blood flow and oxygenation to the skin while removing dead skin cells, promoting deep tissue and collagen rejuvenation.

JET PEEL \$130

A gentle, effective peel that uses oxygen to propel sterile saline on your skin. This procedure cleanses, exfoliates, oxygenates and hydrates skin in one simple step.

LED LIGHT THERAPY \$35
series of five \$140

An FDA approved cosmetic procedure using various wavelengths of energy to repair, restore, and rejuvenate skin. Gentle, non-invasive treatment for acne, hyper-pigmentation, and aging skin. This procedure enhances cellular metabolism, increases blood circulation, stimulates fibroblastic activity, and promotes the production of collagen, resulting in younger, healthier-looking skin.

SKIN GROWTH REMOVAL

Safe, non-invasive treatment that permanently removes unsightly skin growths from your face and body. Using high frequency electrical current, skin tags, ruby points, sun spots and cholesterol deposits are removed permanently. Pricing determined by consultation only.

CONSULTATIONS \$25

Your consultation includes an evaluation of your skin using black light topography. This technology is unparalleled in identifying skin types, as well as detecting future sun damage. You will receive assistance in setting up a home care regimen, and professional skin care service program that fits your individual lifestyle needs.

Please note, your consult fee will be applied toward your purchase of a service or product system .
